E-MAIL: schools@diopitt.org

October 20, 2011

Dear Principals,

We must be relentless in our efforts to help pass school choice this year. I am asking you to inform all parents that have received tuition assistance that they must contact their legislators and return the contact form attached to you in order to receive a grant next year. I then want you to return these contact forms to me. This way we can insure that a solid effort is being carried out by our diocese.

Thank you for all your attention to bring about justice for our parents and all children.

Yours in faith, hope and charity,

Dr. Ronald T. Bowes
Assistant Superintendent for
Policy and Development
